Where is Key West?

Key West is one of the busiest manufac  
turing ports on the Atlantic coast. Cigars,  
of course, constitute the principle article of  
export. The Key West is situated on the  
Florida coast, only sixty miles from Ha  
vana. The famous Key West cigars are  
made from tobacco of the finest Havana  
procurable, and made by Cuban workmen.  
The tobacco only has to pay an import duty  
of \$2.50 per pound and 25 per cent ad  
valorem on cigars. The climate is the  
same as in Cuba, consequently the aroma is  
the same as in the imported cigars. Smokers  
should take these facts into consideration  
and call on Ashmun & Walker, who have  
just received a fresh stock of the best brands  
of Key West Cigars, including the "Estrel
